I feel that the days of orientation was very useful. We taught lots of good informations They taught us good values. They taught about career. They taught us about job opportunities. I firmly believe that all these will help me to build a good career in future. More than this they made us realise value of nature. How we are disposing it. and how to conserve it.

They introduced a new natural type of pesticide. I hope that all these will be very useful.

Bridge course (B) - BA English

First we are enjoying in our class and first of all we don't know our course. Then our teachers were teaching them in easily method. Then we will understand, what is literature? Now this course is useful in our life. This class very boring. So you don't take this type of class to Our juniors.

Thank you

DEPARTMENT OF PHYSICS

BRIDGECOURSE (2022-2023)

The Department of Physics conducted the bridge course for the students of 2022-2023 batch for four days, from 8th August 2022 to 12th August 2022. Each day is divided into five sessions. The sessions were handled by the staff of the Physics and English departments. In the first day, Dr.Amalanathan explains the rules and instructions to be followed by the students. He also gave an introduction to the Physics Department. Basics in physics and UG level physics syllabus were taught in physics session. The laboratory instructions were given to the students. Some of the basic experiments were explained by Mrs.V.Beena and Dr.Dominic. The Mathematical preliminaries were taught by Mr.F.Sahaya Raj. The last day of the session is handover to English to improve their communication skills. The students were learned and interacted with faculty about those subjects with much interest. Finally a test was conducted to check the outcome of student's knowledge in the bridge course.

BRIDGE COURSE (2022-2023)

Syllabus for the Bridge Course

Unit 1: Introduction to Physics

Units and Measurements-Mass-Displacement-Velocity-Momentum- Acceleration -Force-Newton's laws of motion-Electric Charge-Coulomb's Law of force-Electric field-Electric Potential-Ohm's law.

Unit 2:Measurements

Charge, potential difference and Current-AC and DC- Galvanometer-Ammeter-Voltmeter-Multimeter.

Vernier calliper- screw gauge- travelling microscope (practical).

Unit 3: Properties of matter and Thermodynamics

Elasticity- Hooke's Law-applications- surface tension-spherical bubbles and drops-viscosity-stoke's law-Osmosis-buoyancy force and it's applications.

Gases- P,V and T- Laws of Thermodynamics-Isothermal, Isobaric, Isochoricprocesses-Application to IC Engine.

Unit 4: Mathematical Preliminaries

Set- function of single variable and multivariable - Differentiation- Integration- Meaning and importance.

Unit 5: Optics

Light-Reflection-Refraction-Refractive Index-Total Internal Reflection, types of lenses.

focal length of lens and it's measurement - basics of spectrometer (practical)

Dispersion-Interference-Diffraction- formation of Rainbow.

Choose the Correct answer

1. Light travels faster in
   a) water b) air c) Glass d) Diamond

2. The deviation of light ray from its path when travels from one media into other is called as,
   a) Reflection b) Polarization c) Refraction d) dispersion

3. According to the laws of reflection, the angle of incidence is _____angle of reflection.
   a) equal to b) greater than c) smaller than d) doesn't depend upon

4. Number of images between two parallel mirrors is _____
   a) 0 b) infinity c) finite d) cannot be determined

5. Variation of velocity results in
   a) transport of mass
   b) transport of momentum
   c) transport of energy
   d) None of the above

6. Newton's first law says about,
   a) Inertia b) Force c) Momentum d) Acceleration

7. derivative of cosx is ____
   a) sinx b) cosx c) –sinx d) –cosx

8. The ratio of velocity of light in air to the velocity in a media is known as,
   a) Reflection b) Refraction c) Total internal reflection d) refractive index

9. derivative of a constant is,
   a) x b) constant c) 0 d) infinity

10. SI Unit of mass
    a) gram b) mg c) ng d) kg

11. The mesure of resistance to flow is
    a) Elasticity b) viscosity c)resistivity c) none of these

12. The fluid with low resistance flows
    a) easily b) fast c) medium d) none of these

13. The ability of a body to resist a distorting influence and to return to its original size and shape when that influence or force is removed is
a) viscosity, b) elsticity, c) compressibility d) none of these

14. $\int k\,dx =$_____ (k is a constant)
a) kx b) kx+c c) 0 d) kx/2

15. The measure of the relative volume change of a fluid or solid as a response to a pressure (or mean stress) change is
a) viscosity, b) elsticity, c) compressibility d) none of these
16. Name the device used to measure the amount of current flowing through a circuit.
a)Voltmeter b) galvanometer c) ammeter d) none of these
17. Who is the father of AC Current
a) Edison b) Tesla c) CV Raman d) Chandrasekaran
18. Metals are.....
a) conductor, b) insulator, c) semiconductor, d) none of these.
19. Thermometer is used to measure.....
a) Temperature, b) pressure, c) cholesterol, d) sugar
20. .....is used to store charges.
a) Resistors b) capacitors c) inductors d) diodes
21. Interference is a behaviour of
a) particles b) waves c) both waves and particles d) neither wave nor particle

22. Second law of thermodynamics is
a) Law of increased entropy
b) Law of conservation of energy
c) Law of decreased entropy
d) None of the above
23. Sublimation is the transition of substance from
a) Solid to liquid phase
b) Liquid to gas phase
c) Solid to gas phase
d) None of the above
24. Reactions going on in the refrigerator is
a) Adiabatic process
b) Isothermal process
c) Isobaric process
d) None of the above
25. Absolute zero is
a) 273.15°C
b) 459.67°C
c) -273.15°C
d) None of the above

Bridge course- Syllabus

Academic Year 2022-23

Objective

The bridge course aims to act as a buffer for the new entrants to provide adequate time for the transition to hardcore of chemistry subject. This gives them an opportunity to prepare themselves before the beginning of courses and the students will be equipped with the knowledge and the confidence needed to take on bigger challenges in future.

Core course:

Unit I

Atomic structure: Atom, molecule, compound, element, atomic number, mass number, atomic weight, molecular weight, isotopes, mole concept, chemical equations, redox reactions. **Chemical bonding:** Types of chemical bonds -ionic bonding, covalent bonding, hydrogen bonding, hybridization, VSEPR theory.

Unit II

Periodic Table: Electronic configuration, Periodic properties- Electron negativity, Ionization energy, Electron affinity, Electropositivity.

Unit III

Solutions: Concentration units, concept of acids and bases.

Solid state: Crystalline and amorphous solids

Balancing the chemical Equations

Unit IV

Thermodynamics: Laws of Thermodynamics, Thermodynamic properties- Internal energy, Enthalpy, Entropy, Free energy, Exothermic and Endothermic reactions

Unit V

Organic Chemistry: Functional groups, alkanes, alkenes, alkynes, alcohols etc.
Type of reactions and mechanism.

Practical: Qualitative and Quantitative analysis

Bridge Course Report (2022-2023)

The bridge course was conducted by the department of chemistry for the students in the academic year 2022-2023 on 16-08-2022 to 18-08-2022. The aim of the course is to increase the basic knowledge in chemistry in college level and bring their interest on the chemistry subjects through practical experiments and basic theory classes. The classes were carried out by five sessions and the topics divided as five units and experimental session. Unit I is Atomic structure and Chemical bonding. Unit –II is Periodic Table, Unit –III is Solutions, Solid state and Balancing the chemical Equations, Unit –IV is Thermodynamics, UNIT- V is Organic Chemistry and the practical session Qualitative and Quantitative experiments were carried out by the students. The basic concepts in chemistry were taught by faculties from the department. In the last day, feedback was collected from the students.

Bridge Course: 2022-2023

The bridge course for the academic year 2022-2023 was conducted from 8/8/2022 to 13/8/2022.The session started with a welcome address given by Mr.K.C Abhilash Sam paulstin, Head Department of Computer Science following which he continued to introduce the various teachers who are going to be handling the various subjects for the 50 fresh faces in the computer science department.

An introductory session was given by Dr. Cincy W C. Importance was given to give the basics of computer science so that the students from the Biology Group can get a clear cut idea about the subject. Student friendly lab sessions were conducted in the UG lab as most of the students were using computers for the first time. Faculty members from the Department of Computer Science handled various sessions and they have successfully completed the bridge course the commencement of the main course.

All the students gave a positive feedback on the bridge course and especially the lab sessions were highly appreciated.

The staff members were appreciated well by the management for their dedicated service.

Digital Safety Teacher Notes

Introducing students to digital citizenship

Microsoft

What is digital citizenship?

The concepts behind digital citizenship are the safer, more responsible and appropriate use of technology and devices.

Class discussion: digital civility

You can use Microsoft's four tenets of digital civility to start the conversation with your class. Do they agree with the statements? How might they practice these behaviors?

Live the golden rule

I will act with empathy, compassion and kindness in every interaction, and treat everyone I connect with online with dignity and respect.

Respect differences

I will appreciate cultural differences and honor diverse perspectives. When I disagree, I will engage thoughtfully and avoid name calling and personal attacks.

Pause before replying

I will pause and think before responding to things I disagree with. I will not post or send anything that could hurt someone else or threaten my safety or the safety of others.

Stand up for myself and others

I will tell someone if I feel unsafe, offer support to those who are targets of online abuse or cruelty and report activity that threatens anyone's safety.

Class discussion: empathy and resilience

What is empathy?

Empathy is about being able to put yourself in someone else's shoes and think about how a situation might make them feel.

And what about resilience?

Resilience is all about taking back control of your emotions. Being resilient can help you bounce back when bad things happen online. There are lots of situations where it's completely valid to feel sad, angry or frustrated. But being resilient can help you not turn a bad moment into a bad day.

How can we best respond to 'drama' online?

Say you're on your favorite app and someone posts something about your best friend. Before you respond, think about who has posted and where they might be coming from. Ask yourself why they might post it. What were they thinking or feeling?

Next, think about how you could respond. Is anything you post going to change their mind, or might it just add to the drama? Think about putting your phone down and go for a walk, hang out with a friend, or chat to your family – and see if that helps to put it all in perspective.

Quiz

Page 2 of this document features a short quiz. Use it as a departure point to see how much students understand or as a summative assessment to see how much they have learned. Answers are below so that they do not appear on the sheet.

1. Respecting differences, pausing before replying and living by the four tenets
2. Offer support to those who are targets of online abuse or cruelty. Report activity that threatens anyone's safety.
3. Take a breath before responding. Try seeing the situation from their point of view.
4. Try to put things in perspective. Work to understand and take control of your emotions. Put down your phone and spend time with your family.
5. Avoid name calling and personal attacks. Engage thoughtfully.

Digital Safety Quiz

Being a good digital citizen

Microsoft

How respectful and empathic are you?

1. Which one of the following makes a good digital citizen?
   - [ ] Making sure you remember all your login details
   - [ ] Ignoring or avoiding any bad behaviors online
   - [ ] Respecting differences, pausing before replying and living by the four basic tenets of digital civility

2. Which two of the following actions can you help stand up for others?
   - [ ] Delete any app where people post comments you don't like
   - [ ] Offer support to those who are targets of online abuse or cruelty
   - [ ] Report activity that threatens anyone's safety
   - [ ] Tell your friend to harden up and get over it

3. What are two things you could do if you see a post or comment you don't agree with?
   - [ ] Take a breath before responding
   - [ ] Tell all your friends to block the person on your social apps
   - [ ] Try seeing the situation from their point of view
   - [ ] Quickly comment with an angry face emoji to let them know they've upset you

4. Which three of these actions can help you to be more resilient?
   - [ ] Suppress and ignore your emotions
   - [ ] Try to put things in perspective
   - [ ] Avoid any situation that is tough or stressful
   - [ ] Make mean comments on other people's posts before they do it to you
   - [ ] Work to understand and take control of your emotions
   - [ ] Put down your phone and spend time with your family

5. What are two ways you can respect differences of opinion?
   - [ ] Ignore any perspectives that are different to yours
   - [ ] Avoid name calling and personal attacks
   - [ ] Engage thoughtfully

Bridge Course Report

Academic Year (2022-2023)

Department of Business Administration organized a bridge course for the first year BBA students to bridge the gap between the school level and the undergraduate level from 8/8/2022 to 11/8/2023. The expert teachers of our department helped them with different topics like communication skills, know yourself, introduction to management, fundamentals of accounting and English. The students were interested in knowing all the topics. At the end of the course we conducted a test with 35 questions. All the students passed in the exam with a minimum score of 15 and a maximum score of 34.

BRIDGE COURSE REPORT (2022-2023)

The Department of B.Com (A1&A2) conducted Bridge Course for the first year students of the academic year 2022-2023 from 8th, 10th and 11th of August 2022. The main objective of the course is to bridge the gap between subjects studied at Higher Secondary level and subjects they would be studying in B.Com level. It focuses on students with different learning abilities, academic standards and performances. It also helps to identify the fundamental knowledge in the field of commerce.

The syllabus for the course is framed in such a way that they get basic knowledge on Accountancy. Basics of Accounting for 6 hours, letter writing for 2hours and basics of Maths for 2hours were effectively delivered by the faculty members. At the end test were also conducted and student's performance and subject knowledge were evaluated. Students who attended the bridge course classes have gained the knowledge and skills of basic concepts of Accounting and 74 students got benefited out of this course.

Skill development programme

The entire MSW department along with NSS students of Nanjil catholic college gathered in the seminar hall. Whole arrangement for the skill development program started at 9, the skill development programme commenced at 9;30 with a prayer song by Sruthilakshmi(11 year MSW) followed by a welcome speech done by Ms Keerthana (11 year MSW). Adv Antush Jerome made session on drug awareness and mobile addiction. It ended at 10; 25. JCI president taught the students about the interview skill that needs to be followed in an interview. Thereafter Don Wesley did a session on how to over come stage fright the feed back was collected. Mr savour he took a session on how to plan the syllabus. The whole event was facilitated Adv Antush Jerome.

The morning session was conducted for both NSS and MSW trainees and it was found much useful and effective for both groups. All the students were given enough chance to speak on the stage with the aim of eradicating students stage fright. All most the complete participants were actively partaking in the programme with lot of enthusiasms and passion. The afternoon session was only for MSW trainees as the students who were the members of NSS could not continue therefore only MSW trainees were present for the rest of the programme. The session restarted at 1:45 in the afternoon, soon after the beginning social work trainees were divided into four groups for group activity.

Social work trainees dynamically joined in the group activity which was held. It was detained in different levels and format. Those events have tremendously helped the trainees so much. The skill development programme was in it culmination at 3:45 with the presents of collage principle Mr Meenakshisundararajan, MSW Faculties and the entire resources persons. Mr Meenakshisundararajan the principal of Namjil catholic collage made an interactive talk with the MSW trainees to get to know the feedback regarding the session. The vote of thanks was delivered by Mr Jacob (1 year MSW) the program was ended at 4 in the evening.

Feedback:

- The students eradicated some myths and misconceptions from their mind.
- The students actively participated and the group was divided into different groups. All group members were given different topics to explain. All members contributed their points without fear and favour.
- The students said that the skill development programme was useful for the trainees to conduct programmes and attending an interview.
- The students felt that it was an urgent programme for all the trainees.
- This programme paved the ways to get rid of their fear and hesitation to come front.
- The dynamic change was observed from the students by the staffs.
- The resource persons requested the staff to conduct frequently to develop the skills and potential of the students.

ON

ORIENTATION PROGRAMME 2022 - 2023

An orientation programme for the freshers 2022 -2023 was organized on 01-08-2022 to 06-08-2022. On all six days, the students were give different topics with entertainment and information using video aid and ppt. Here is the list of topics from day one to five

Day 1 KNOW YOUR COLLEGE

Day 2 KNOW YOUR PERSON

Day 3 KNOW YOUR CAREER

Day 4 KNOW YOUR ENVIRONMENT

Day 5 ENRICH YOUR SOCIETY

Day 6 KNOW YOUR CONSTITUTIONAL RIGHTS

Day 1 KNOW YOUR COLLEGE

The day was initiated with a prayer song and lighting the lamp as a symbol of knowledge and to remove darkness. Then, Dr. K Lucas, Assistant Professor, Department of Commerce, welcomed the gathering with her cheerful voice. Rev. Fr. Eckermens Michael, Secretary, NACCAS gave the inaugural address and instructed the students to follow their passion and the importance of education. Then came the principal of NACCAS, Dr. Meenackchi Sundararajan, to give his special address. He boosted the confidence of the students by giving several examples from his own personal live and other. He further stated the essence of knowledge, live and education.

Then came the department heads of each department, to educate the students about the department, the facilities available for them to use, the library, the play ground, the teaching staff, the gym, the internet facility available in the campus etc. Students observed them with ease and eagerness. A half an hour lunch break was given to them and was instructed to return back on time. After their lunch break they were instructed about the College/Campus Rules and

Regulations, good manners and behaviors. Then came Dr. K Lucas with ten questions from each session that they had observed. The winner of each question was awarded with a surprising gift. The programme came to an end, at 01:45 PM.

Day 2 KNOW YOUR PERSON

The day was initiated by Rev. Fr. Eckermens Michael, the secretary of the college for a presentation on Personality Development. He started the workshop with a very creative introductory session, where students had to introduce themselves in a novel way. They had to either mention an adjective or a quote or song which best describes them. They could also explain the meaning of their names (without revealing the names) thereby giving an opportunity to the others to guess the names! It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise.

The second session was given to Dr. S.Jain for the title Employment Enhancing Soft Skills. His session was unique and informative. He spoke about the importance of communicate skills and the ways to improve in it. He kept on stating that the job opportunities in and around the country is plenty but there are not enough qualified people around.

After the second session, Dr. S.Jain spoke about the importance of staying healthy, using healthy food habits. He insisted the importance of vitamins and minerals for a healthy body.

Then Came Rev. Fr. Robinson, after lunch, with the title Career Orientation and Goal Setting. Thought the session he took over the dais and inspired all the young minds with a detailed discussion on the ample of opportunities and career options they can choose from Science, Commerce and Arts. He also emphasised that career decision is one of the most significant decisions in one's life and therefore, it must not be taken under parents' compulsion or peer pressure. He also motivated the students to never go out of following their passion.

Day 3 KNOW YOUR CAREER

The day was initiated by Rev. Fr.Dr.S.K. Jose Robinson with the title Career Orientation and Goal Setting. He mentioned a number of companies that have slots spaced out for apprenticeship in Goa and types of apprenticeship posts available. He mentioned of a website 'mhrdnats.gov.in' which helps make the process of applying for apprenticeship easier as most of the steps are to be done online and being a national portal, there are many companies tied along with it.
He then spoke about their motto 'Creating Job Creators' and enlightened us on a path besides jobs. In doing so, he introduced us to the path of entrepreneurship and spoke about qualities of an entrepreneur, how they cannot be learnt but cultivated over time. He invited interested students for a 5 day program called 'change-the-mindset' which is an aspiring entrepreneur workshop. He also spoke about 'Magic funds' a scheme that helps fund entrepreneurs with a good idea to move forward in their endeavors.

Then came Mrs. Dhivya Christy, with the title What Next? She stated various Employment Opportunities that are available for the students, both in public and private sectors.

Then came the principal of the college Dr. Meenashi Sundararajan and spoke aboth Academic Opportunities for Arts and Science Students. During his presentation, gave an overview of the career-oriented undergraduate courses in general science, arts, accounts and

management and explained the relative job prospects and benefits of most of the courses. He said that there had been a shift from unemployment to unemployability in the recent years and it was very important for students to choose careers that would make them employable. One's goals, interests, personality, interest attitudes etc. should be some of the parameters in choosing one's career.

Dr. K Lucas, came for the last session with a surprise quiz. The winner of each question was awarded with a surprising gift. The programme came to an end, at 01:45 PM.

Day 4 KNOW YOUR ENVIRONMENT

Dr. Gladson gave a presentation on Environmental Issues Today. He fosussed on Natural Resources. Increased Mining, Energy, Deforestation, Land Slides and Fires

Then came Dr. Raj Kumar for his presentation on Go Green. His focus was on organic gardening, fertilizer, tools and soil. He then explained different types of vegetables, plants that can be consumed and how to lead a healthy life with the food that we eat. On the whole the session was informatiove for the students and the professors.

Scanned with CamScanner

After the lunch break Dr.L.Femila, Assistant Professor, Department of ECE, Bethlahem Institute of Engineering spoke about Renewable Energy . Students were familiarised with the theme of Renewable Energy , which is 'Ecosystem restoration - Restore, Recreate and Reimaging Environment'. The ideas and ways of saving environment were shared by the students with their respective class teachers. Some are recycling old things and saving the resources for the future generations, planting more trees, saying no to plastics etc. As expected, Dr. K Lucas, came for the last session with a surprise quiz. The winner of each question was awarded with a surprising gift. The programme came to an end, at 01:45 PM.

Day 5 ENRICH YOUR SOCIETY

The day was initiated by Rev.Fr. Maria Martin for his presentation on Free from Addiction. He spoke about different types of addiction among the students. However his main focus was on drug addiction. He stated about the negative face of drug addiction with a lively example. He brought a former drug addict along with him, to share his life misery and success. His life experiences gave the students, a clarity, to gain a successful future, free from drug addiction.

The second session was given by Mr.K.Chandran and his assistant Station Officer,Dept. Of Fire & Rescue, Kuzhithurai Station. Mr.K.Chandran spoke about different types of fire and the measures to stop it. He also stated about rescue operation too.

Bridge Course (2022- 2023)

Nanjil Catholic College of arts and science, Kaliyakkavilai organized bridge course for fresher's of department of mathematics for the year **2022--2023**. Department of Mathematics framed an effective syllabus of this course of three days duration from 10-08-2022 and 11-08-2022. At the end of this course, students gave a wonderful feedback about this course. Eighty five percentages of our students feel that the information about profile of the college is excellent. Above ninety percentage of our students feel that the course was clear and sufficient to provide an understanding of the program. All of our students feel that coverage of the syllabus is excellent. Organization of the course and the emphasis on fundamentals are impressed the students very nicely. Also they expressed bridge course consists quality and useful syllabus. And they feel that the level of subject knowledge at the end of bridge course is far better than the level of subject knowledge at start of bridge course. Finally their overall rating of the bridge course is excellent.

Answer ALL the questions

The covariance of two independent random variables is -equal ×

1. According to Karl Pearson the relation connecting mean, median and mode is -equal
2. The Poisson distributive function is ----- $\frac{e^{-\lambda}\lambda^{x}}{x!}$
3. The probability of getting one head when tossing a coin three times is -----
4. The chance of drawing a queen from a pack of 52 cards is -------
5. If A= {a,b,c} and if B = {1,2,3} then Ax$B$is ----- {(a,1), (a,2), (a,3), (b,1), (b,2), (b,3), (c,1), (c,2), (c,3)}
6. An example of an equivalence relation is-----
7. A function f:A→ B is said to be one-one if distinct elements in A have distinct elements in B.
8. A function f:A → B is said to be bijection if it is both -1-1 and onto
9. If f(x) = sinx and g(x) = x^2 then fog is -sin (x^2)
10. The $\Delta\phi$ of the scalar function $\phi = x^2y^3z^2$ is -----$3x^2y^3z^2\hat{i} + 3x^3y^2z^2\hat{j} + 2x^2y^3z^2\hat{k}$
11. If Δ. **V**= 0, then **V**is said to be -----solenoidal
12. If Δx**V**= **0**, then **V**is said to be -irrotational
13. If **A** = axy**i** +(x^2+2yz)**j**+y^2**k** is irrotational, then the value of a is ------
14. The directional derivative of the function $x^2+y^2+z^2$ at (3,6,9) in the direction whose direction cosines are $\frac{1}{3}, \frac{2}{3}, \frac{2}{3}$ is ------
15. A function f is said to be even if-----$f(x) = f(-x)$ A.

BRIDGECOURSE (2022-2023)

The Department of Physics conducted the bridge course for the students of 2022-2023 batch for four days, from 8th August 2022 to 12th August 2022. Each day is divided into five sessions. The sessions were handled by the staff of the Physics and English departments. In the first day, Dr.Amalanathan explains the rules and instructions to be followed by the students. He also gave an introduction to the Physics Department. Basics in physics and UG level physics syllabus were taught in physics session. The laboratory instructions were given to the students. Some of the basic experiments were explained by Mrs.V.Beena and Dr.Dominic. The Mathematical preliminaries were taught by Mr.F.Sahaya Raj. The last day of the session is handover to English to improve their communication skills. The students were learned and interacted with faculty about those subjects with much interest. Finally a test was conducted to check the outcome of student's knowledge in the bridge course.

1. Light travels faster in
   a) water b) air c) Glass d) Diamond

2. The deviation of light ray from its path when travels from one media into other is called as,
   a) Reflection b) Polarization c) Refraction d) dispersion

3. According to the laws of reflection, the angle of incidence is _____angle of reflection.
   a) equal to b) greater than c) smaller than d) doesn't depend upon

4. Number of images between two parallel mirrors is _____
   a) 0 b) infinity c) finite d) cannot be determined

5. Variation of velocity results in
   a) transport of mass
   b) transport of momentum
   c) transport of energy
   d) None of the above

6. Newton's first law says about,
   a) Inertia b) Force c) Momentum d) Acceleration

7. derivative of cosx is ____
   a) sinx b) cosx c) –sinx d) –cosx

8. The ratio of velocity of light in air to the velocity in a media is known as,
   a) Reflection b) Refraction c) Total internal reflection d) refractive index

9. derivative of a constant is,
   a) x b) constant c) 0 d) infinity

10. SI Unit of mass
    a) gram b) mg c) ng d) kg

11. The mesure of resistance to flow is
    a) Elasticity b) viscosity c)resistivity c) none of these

12. The fluid with low resistance flows
    a) easily b) fast c) medium d) none of these

13. The ability of a body to resist a distorting influence and to return to its original size and shape when that influence or force is removed is
a) viscosity, b) elsticity, c) compressibility d) none of these

14. $\int k\,dx =$_____ (k is a constant)
a) kx b) kx+c c) 0 d) kx/2

15. The measure of the relative volume change of a fluid or solid as a response to a pressure (or mean stress) change is
a) viscosity, b) elsticity, c) compressibility d) none of these
16. Name the device used to measure the amount of current flowing through a circuit.
a)Voltmeter b) galvanometer c) ammeter d) none of these
17. Who is the father of AC Current
a) Edison b) Tesla c) CV Raman d) Chandrasekaran
18. Metals are.....
a) conductor, b) insulator, c) semiconductor, d) none of these.
19. Thermometer is used to measure.....
a) Temperature, b) pressure, c) cholesterol, d) sugar
20. .....is used to store charges.
a) Resistors b) capacitors c) inductors d) diodes
21. Interference is a behaviour of
a) particles b) waves c) both waves and particles d) neither wave nor particle

22. Second law of thermodynamics is
a) Law of increased entropy
b) Law of conservation of energy
c) Law of decreased entropy
d) None of the above
23. Sublimation is the transition of substance from
a) Solid to liquid phase
b) Liquid to gas phase
c) Solid to gas phase
d) None of the above
24. Reactions going on in the refrigerator is
a) Adiabatic process
b) Isothermal process
c) Isobaric process
d) None of the above
25. Absolute zero is
a) 273.15°C
b) 459.67°C
c) -273.15°C
d) None of the above

a) Resistors b) capacitors c) inductors d) diodes

21. Interference is a behaviour of
a) particles b) waves c) both waves and particles d) neither wave nor particle

22. Second law of thermodynamics is
a) Law of increased entropy
b) Law of conservation of energy
c) Law of decreased entropy
d) None of the above

23. Sublimation is the transition of substance from
a) Solid to liquid phase
b) Liquid to gas phase
c) Solid to gas phase
d) None of the above

24. Reactions going on in the refrigerator is
a) Adiabatic process
b) Isothermal process
c) Isobaric process

Bridge course- Syllabus

Academic Year 2022-23

Objective

The bridge course aims to act as a buffer for the new entrants to provide adequate time for the transition to hardcore of chemistry subject. This gives them an opportunity to prepare themselves before the beginning of courses and the students will be equipped with the knowledge and the confidence needed to take on bigger challenges in future.

Core course:

Unit I

Atomic structure: Atom, molecule, compound, element, atomic number, mass number, atomic weight, molecular weight, isotopes, mole concept, chemical equations, redox reactions.
Chemical bonding: Types of chemical bonds -ionic bonding, covalent bonding, hydrogen bonding, hybridization, VSEPR theory.

Unit II

Periodic Table: Electronic configuration, Periodic properties- Electron negativity, Ionization energy, Electron affinity, Electropositivity.

Unit III

Solutions: Concentration units, concept of acids and bases.
Solid state: Crystalline and amorphous solids
Balancing the chemical Equations

Unit IV

Thermodynamics: Laws of Thermodynamics, Thermodynamic properties- Internal energy, Enthalpy, Entropy, Free energy, Exothermic and Endothermic reactions

Unit V

Organic Chemistry: Functional groups, alkanes, alkenes, alkynes, alcohols etc.
Type of reactions and mechanism.

Practical: Qualitative and Quantitative analysis

Bridge Course Report (2022-2023)

The bridge course was conducted by the department of chemistry for the students in the academic year 2022-2023 on 16-08-2022 to 18-08-2022. The aim of the course is to increase the basic knowledge in chemistry in college level and bring their interest on the chemistry subjects through practical experiments and basic theory classes. The classes were carried out by five sessions and the topics divided as five units and experimental session. Unit I is Atomic structure and Chemical bonding. Unit –II is Periodic Table, Unit –III is Solutions, Solid state and Balancing the chemical Equations, Unit –IV is Thermodynamics, UNIT- V is Organic Chemistry and the practical session Qualitative and Quantitative experiments were carried out by the students. The basic concepts in chemistry were taught by faculties from the department. In the last day, feedback was collected from the students.

1. Which of the following does not increase when we move from left to right along a period in the periodic table?

[A] Oxidising Power of elements [B] Electronegativity

[C] Non-metallic Character [D] Reducing power

2. Consumption of a high amount of which of the following may cause cirrhosis ?

[A] Alcohol [B] Tobacco

[C] Caffeine [D] Soft drinks

3. The Chlorophyll cells within the plant leaves are perfectly optimized to absorb which of the following waves of the Sun Light?

[A] Green [B] Red & Blue

[C] Red & Yellow [D] Yellow and Blue

4. What kinds of waves are the ultrasonic waves in air produced by a vibrating quartz crystal?

[A] Transverse [B] Longitudinal

[C] Transverse and longitudinal [D] None of the above

5. 1 femto metre is equal to how many metres?

[A] 10^{-12} [B] 10^{-14}

[C] 10^{-15} [D] 1^{-24}

6. Which of these dopants is NOT used to increase the conductivity of a semi-conductor?

[A] Indium [B] Aluminium

[C] Arsenic [D] Boron

7. Which of the following quantum numbers is represented by a period of the modern periodic table?

[A] Principal quantum number [B] Azimuthal quantum number

Bridge Course: 2022-2023

The bridge course for the academic year 2022-2023 was conducted from 8/8/2022 to 13/8/2022.The session started with a welcome address given by Mr.K.C Abhilash Sam paulstin, Head Department of Computer Science following which he continued to introduce the various teachers who are going to be handling the various subjects for the 50 fresh faces in the computer science department.

An introductory session was given by Dr. Cincy W C. Importance was given to give the basics of computer science so that the students from the Biology Group can get a clear cut idea about the subject. Student friendly lab sessions were conducted in the UG lab as most of the students were using computers for the first time. Faculty members from the Department of Computer Science handled various sessions and they have successfully completed the bridge course the commencement of the main course.

All the students gave a positive feedback on the bridge course and especially the lab sessions were highly appreciated.

The staff members were appreciated well by the management for their dedicated service.

Bridge Course Test-2022-2023

1. The brain of any computer system is
   a. ALU
   b. Memory
   c. CPU
   d. Control unit

2. What difference does the 5th generation computer have from other generation computers?
   a. Technological advancement
   b. scientific code
   c. Object Oriented Programming
   d. All of the above

3. The tracks on a disk which can be accessed without repositioning the R/W heads is
   a. Surface
   b. Cylinder
   c. Cluster
   d. All of the above

4. Which of the following is the 1's complement of 10?
   a. 01
   b. 110
   c. 11
   d. 10

5. Which part interprets program instructions and initiate control operations?
   a. Input
   b. Storage unit
   c. Logic unit
   d. Control unit

6. The binary system uses powers of
   a. 2
   b.10
   c. 8
   d. 16

7. A computer program that converts assembly language to machine language is
   a. Compiler
   b. Interpreter
   c. Assembler
   d. Comparator

8. The time required for the fetching and execution of one simple machine instruction is
   a. Delay time
   b. CPU cycle
   c. Real time
   d. Seek time

Kaliyakkavilai 629 153

9. The section of the CPU that selects, interprets and sees to the execution of program instructions

a. Memory
b. Register unit
c. Control unit
d. ALU

10. Which type of system puts the user into direct conversation with the computer through a keyboard?

a. Real time processing
b. Interactive computer
c. Batch processing
d. Time sharing

11. A single packet on a data link is known as

a. Path
b. Frame
c. Block
d. Group

12. A common boundary between two systems is called

a. Interdiction
b. Interface
c. Surface
d. None of these

13. The examination and changing of single bits or small groups of his within a word is called

a. Bit
b. Byte
c. Bit manipulation
d. Bit slice

14. Which method is used to connect a remote computer?

a. Device
b. Dialup
c. Diagnostic
d. Logic circuit

15. The symbols used in an assembly language are

a. Codes
b. Mnemonics
c. Assembler
d. All of the above

16. The 2's complement of a binary no. is obtained by adding.....to its 1's complement.

a. 0
b. 1
c. 10
d. 12

17. A datum that indicates some important state in the content of input or output is

a. Sequence
b. Sentinel
c. SIO
d. Sibling

18. Which of the following is still useful for adding numbers?

a. EDSAC
b. ENIAC
c. Abacus
d. UNIVAC

19. The average time necessary for the correct sector of a disk to arrive at the read write head is _____

a. Down time
b. Seek time
c. Rotational delay
d. Access time

20. A number that is used to control the form of another number is known as

a. Map
b. Mask
c. Mamtossa
d. Marker

Answer key:

1. C. CPU
2. B. Technological advancement
3. B. Cylind4er
4. D. 01
5. D. Control Unit
6. A. 2
7. C. Compiler
8. B. CPU cycle
9. C. Control unit
10. B. Interactive System
11. B. Frame
12. B. Interface
13. C. Bit manipulation
14. B. Dialup
15. B. Mnemonics
16. B. 1

Bridge Course Report

Academic Year (2022-2023)

Department of Business Administration organized a bridge course for the first year BBA students to bridge the gap between the school level and the undergraduate level from 8/8/2022 to 11/8/2023. The expert teachers of our department helped them with different topics like communication skills, know yourself, introduction to management, fundamentals of accounting and English. The students were interested in knowing all the topics. At the end of the course we conducted a test with 35 questions. All the students passed in the exam with a minimum score of 15 and a maximum score of 34.

BRIDGE COURSE REPORT (2022-2023)

The Department of B.Com (A1&A2) conducted Bridge Course for the first year students of the academic year 2022-2023 from 8th, 10th and 11th of August 2022. The main objective of the course is to bridge the gap between subjects studied at Higher Secondary level and subjects they would be studying in B.Com level. It focuses on students with different learning abilities, academic standards and performances. It also helps to identify the fundamental knowledge in the field of commerce.

The syllabus for the course is framed in such a way that they get basic knowledge on Accountancy. Basics of Accounting for 6 hours, letter writing for 2hours and basics of Maths for 2hours were effectively delivered by the faculty members. At the end test were also conducted and student's performance and subject knowledge were evaluated. Students who attended the bridge course classes have gained the knowledge and skills of basic concepts of Accounting and 74 students got benefited out of this course.

ADVANCED LEARNERS REPORT

2022-2023 (ODD SEMESTER)

For improving learning outcome of students special classes were arranged to 5 students from I B. Sc Physics for the subject Properties Of Matter handled by, Dr. H Marshan Robert. From II B. Sc Physics, Classes were given to 6 students for the subject, Electricity and Maintainence Of Electronic Appliances handled by Mr. F Sahaya Raj and Mrs.V.Beena. From III B. Sc Physics, Coaching was given to 5 students for the subjects, Basic Electronics, Nuclear & Atomic Physics, Communication Electronics, Spectroscopy handled by Dr.T.R Jeena, Dr.M.Amalnathan, Dr.Murugavel , Dr.S.S Bidhu, and Dr. A. Antony Dominic Christopher.

From I M.Sc Physics, Classes were given to 4 students for the subjects Mathemathical Physics I, Classsical Mechanics, Intagrated Electronics & Non linear Dynamics handled by, Dr.Kavitha, Dr.Murugavel, Mrs. V Beena and Dr. S.Antony Dominic Christopher. From II M. Sc Physics, Coaching was given to 4 students for the subjects Quantum Mechanics-I, Spectroscopy, Numerical Methods & C++ Programming, And Condensed Matter Physics handled by, Dr.T.R Jeena, Dr. S.Antony Dominic Christopher, Dr.Murugavel and Dr. S S Bidhu.

All of the Students, 10 from UG and 6 from PG who attended the classes secured above 80% in Universlty Examination.

REPORT ON ADVANCED LEARNERS (2022-2023)

Year : 2022-2023

Semester : Odd

Aim: To choose students with better understanding and grasping power and focus on then to aim higher.

Objectives: The objective of advanced learners is to achieve to ensure that students may acquire the knowledge as desired after the completion of each module. To give additional help to students who lag far behind the rest of the class in the subjects provided.

During the academic year 2022-2023, the advanced learners are identified their level of skill and knowledge, their abilities and talents, their deficits, their learning styles, and their interests.

Special classes were conducted in each semester. 45% of the students attended the coaching classes. All the students those who attended the special classes have scored well in the Internal Exams.

One helpful way to expand the understanding of which the advanced students are in our classrooms is to explore their thinking, learning, and behaviour patterns in three broad categories:

1. High intellectual ability

2. Better creativity

3. Heightened sensibilities

Special attention and guidance has been given for the advanced learners. They were asked to revise the university question papers that they are able to score well. During special classes, the respective staff carefully observes the performances of students and give them appropriate assistance and encouragement so as to help them acquire the learning skills and

understand their own capability, thus enhancing self confidence and improve their learning skills. During the study circle the advanced learners study and help the low academic achievers by guiding and sharing notes and solving queries.

It was observed that the programming skills of these students need improvement. By the corrective measures taken from the previous year, the students are showing much improvement during the class hours.

REPORT ON ADVANCED LEARNERS

Year : 2022-2023

Semester: Even

Aim: To motivate and encourage the students to attain more marks and become rank holders.

Objectives: The objective of advanced learners is to make them role models in studies and all aspects which help them to provide additional help to students who lag far in the subjects provided in the curriculum.

For the academic year 2022-2023(even semester), the Department of Computer Science conducts advanced learners classes every Friday 2.00 to 3.30 pm. Advanced learners are identified based on their skill and knowledge, thinking, behaviour pattern their abilities and talents, their learning styles and interests.

Advanced learners need many things.

- Acceleration
- creative experiences
- sensitive handling

More attention and guidance has been given for the advanced learners. They were asked to revise the university question papers which help them to score more marks. Special classes will be provided to the students. During special classes, the respective faculty carefully observes the performances of students and give them appropriate assistance and encouragement them to acquire more learning skills and understand their own capability by enhancing self confidence.

ADVANCED LEARNER'S REPORT 2022-23

The advanced learner's classes were held on every Friday from1.45 to 2.00 pm in the College. In this section previous question papers, additional notes, power point presentations, group discussion, weekly test, multiple choice question were conducted and discussed.

5 students from I BBA, 5 students from II BBA and 5 Students from III BBA were selected for advanced learner's class.

The students are selected based on their performance in internal marks i.e., those who scored above 20 they were asked to prepare more notes on each topic and get the signature from the concerned staff.

Students were asked to refer more books from the college and department library. They were asked to refer and take more information from the net and to update their knowledge on each subject. They were also encouraged to get University ranks and taught the way to present the answers in the exams for scoring more marks.

This section helped the advanced learners to know more about the syllabus and to improve their skills. The advanced learned coaching was very useful and the students were able to bring laurels to the college

CAREER GUIDANCE REPORT

2022-2023

In order to give more information and knowledge to the toppers of the institution, the college has decided to give Career Guidance programme for all the toppers of the class ranging from First, Second, Third year under graduates and First and Second year post graduates. A committee has been formed, headed by the Secretary Rev. Fr. Dr. M Eckermens Michael and the principal Dr. A. Meenakshi Sundara Rajan to select an apt person for Career Guidance. Based on the discussion, they select Rev. Fr. Dr. S K Jose Robinson, who is a good trainer and was a great academician. The gathering of the students has taken place in the seminar hall on July, August and September of the year. The students are advised to assemble in the Seminar hall in the last hour, from 12:45pm to 1:45pm. An attendance book has been maintained to monitor the entry and exit of the students.

Rev. Fr. Dr. S K Jose Robinson has used different modules and different subject matter to keep the students interested. Video presentation along with Ppt has been used frequently by him. The toppers of the class has given extreme attention and has given successive feedback to continue the Career Guidance Programme, in the years to come.

Dear Sir/Madam,

The World's Number 1 Deodorant brand, Rexona is bridging the gap between the academic and professional journeys of young women in India by launching the Rexona Confidence Academy.

ABOUT

First jobs and interviews are a nerve wrecking experience. At such critical moments, young girls look for a reliable mentor, a need gap that the Rexona Confidence Academy services by educating and empowering young women with soft skills required to ace interviews ahead of their upcoming placements.

Developed in association with Suman Agarwal (Image Consultant and Life Coach), this Academy provides a robust platform for young girls. Various modules educate participants on how to conduct themselves confidently during interviews, via the right body language, grooming and hygiene habits.

All information given through Rexona Confidence Academy has been developed by experts to ensure that girls get correct and relevant information suited to their needs. The session also offers inspiring tales of women achievers and their experiences, thus introducing the participants to strong female role models

DAY : Friday

The Womens Cell of Nanjil Catholic College of Arts and Science, Kaliyakkavilai organized a Meeting **on Health and Hygiene for Women** on **16 Sep, 2022** Tuesday at 12.00 PM in the auditorium. The meeting was organized in association with Rexona Academy and trainers from the academy helped our students know more about health and maintaining good hygiene regarding body odour. The meeting was formally inaugurated with a welcome address by Sajitha Sajan Assistant Professor in English, Nanjil Catholic College of Arts and Science.

The inaugural address was given by Dr.M.Amala Nadan, HOD, Department of Physics, Nanjil Catholic College of Arts and Science. The chief trainer of Rexona Confidence Acdemy Ms. Anjumen Bhanu, from the Hindustan Uniliver Ltd advised the students to be confident and have a positive attitude towards life.

They gave the students several tips and also gifted them with a Rexona Underarm Roll on.

The meeting was concluded with a vote of thanks by Ms.Seema, Assistant Professor in Tamil, Nanjil Catholic College of Arts and Science.

தமிழ்க்கனவு நிகழ்ச்சி அறிக்கை

கன்னியாகுமரி மாவட்ட நிர்வாகம் சார்பில் 11.04.2023 அன்று காலை 9.30 மணியளவில் களியக்காவிளை நாஞ்சில் கத்தோலிக்க கலை மற்றும் அறிவியல் கல்லூரியின் கலையரங்கத்தில் வைத்து தமிழ்க்கனவு நிகழ்ச்சி நடைபெற்றது.

நிகழ்வில் கல்லூரி வளாகத்தில் அமைக்கப்பட்டிருந்த புத்தகக்கண்காட்சி, நான் முதல்வன் திட்டம், வேலைவாய்ப்பு அலுவலகம், உயர்கல்வி வழிகாட்டுதல், வங்கி கடன், மாவட்ட தொழில்மையம் மற்றும் மகளிர் சுய உதவிக்குழுக்கள் உள்ளிட்ட துறைசார் அரங்குகள் பார்வையிடப்பட்டன.

தொடர்ந்து தமிழ்த்தாய் வாழ்த்துடன் தொடங்கிய விழாவில் மாபெரும் தமிழ்க்கனவு காணொளி காட்சிப்படுத்தப்பட்டது. பின்னர் பத்மனாபபுரம் சார் ஆட்சியர் திரு. எச்.ஆர். கௌசிக் அவர்கள் நோக்கவுரை ஆற்றினார். அவர்கள் தமது உரையில், தமிழ்பண்பாடு என்பது தனித்துவமானதோடு மிகவும் மகத்துவமானது என்றும் தமிழ்நாட்டு மாணவர்கள் எந்நாட்டில் பணிக்குச் சென்றாலும் தாய்மொழியை மறந்துவிடக்கூடாது; தாய்மொழிப் பற்றுடன் வாழ வேண்டுமென கூறினார்கள்.

அதனைத் தொடர்ந்து சிறப்பு விருந்தினர்களாக கலந்துகொண்ட ஊடகவியலாளர் திரு செந்தில் வேல் 'மங்காத தமிழும் மத நல்லிணக்கமும்' என்ற தலைப்பிலும், திரைப்பட இயக்குநர் திரு ராஜ" முருகன் 'வாழ்வென்பதோர் கீதம்' என்ற தலைப்பிலும் மாணவ மாணவியர்களுக்கு தன்னம்பிக்கை அளிக்கும் வகையில் சிறப்புரை ஆற்றினர்.

நிகழ்ச்சியில் குமரி மாவட்டத்தின் 11 கல்லூரிகளிலிருந்து மாணவ மாணவியர்கள் கலந்து கொண்டனர். நாஞ்சில் கத்தோலிக்க கல்லூரி மாணவ மாணவியர்கள் 300க்கு மேற்பட்டோர் கலந்து கொண்டனர். நிகழ்வில் சிறப்பான

பங்களிப்பை வழங்கிய மாணவர்களுக்குப் பெருமிதச் செல்வன், பெருமிதச் செல்வி, கேள்வி நாயகன், கேள்வி நாயகி ஆகிய விருதுகள் வழங்கப்பட்டன.

இந்நிகழ்ச்சியில் மாவட்ட ஆட்சியரின் நேர்முக உதவியாளர் (பொது) சுப்பையா, தமிழ் இணையக்கல்வி கழக பொறுப்பு அலுவலர் சித்தானை, விளவங்கோடு வட்டாட்சியர் (பொறுப்பு) ராஜசேகர், நாஞ்சில் கல்லூரி துணை முதல்வர் முனைவர். அமலநாதன் மற்றும் பேராசிரியர்கள் கலந்துகொண்டனர். விழாவானது நாட்டுப்பண்ணுடன் மதியம் 1.00 மணியளவில் நிறைவுற்றது.

Mr. Vju, H.O. D of Physical Education, Nanjil Catholic College of Arts and Science, Kaliyakkavilai.Spoke about 'The Positive Framework of Meditation'. He began by explaining how negative thoughts disturb a person. Negativity increases the hormonal imbalance in people and thus there is a confusion of thoughts leading to stress. He also spoke about his experience as a counsellor where he has patients

ranging from the age group 3 years to 90 years. He emphasized the fact that purity of thought increases positivity in a person. Purity of thought increases mentally and physically strong people, which further create a positive nation leading to positive world. He emphasized that it is the responsibility of the teachers to imbibe positive thoughts among students. He conducted a 3 minute meditation session with the students and teachers and professed the regular use of meditation in one's life.

The function ended with a vote of thanks by Mrs.PAnisha. Assistant Professor, Nanjil Catholic College of Arts and Science, Kaliyakkavilai.
