Academic Year 2022-23

On analyzing the feedback received, over the course of time by the parents, it is observed that parents are largely satisfied by the efforts made by the college administration in admissions, teaching and learning, discipline and other related matters and high degree of satisfaction has been shown by the parents on implementations of some of the suggestions made by them. The feedback viewing all these aspects of the canteen quality must be raised to standards. And hence the improvement work must be taken immediately into account.
