பேரன்புடையர், வணக்கம்!

Report on One day Workshop on Elements and Devices in Poetry

The Department of English organized a One Day Workshop on “Elements and Devices in Poetry” on 15th March 2023 at 10.00 a.m. in the College Seminar Hall for the English Department students.

Dr. G. J. Hamlin, Assistant Professor of Department of English and Centre for Research from Women’s Christian College, Nagercoil was the resource person for the workshop. The main emphasis of the workshop was to understand the importance of literary devices of poetry.

Students in the registration committee had registered all the participants. Workshop began with a prayer song by the students of English Department’s Choir group. After that M.phil scholar, Mrs. Anies Fathima welcomed the gathering.

Inaugural address was given by Dr. A. Meenakshi Sundararajan, Principal, NACCAS. He explained the importance of understanding the methodology of poetic devices to write poetry. After that, Dr. R. Rooban Raja Sekhar, Head of the Department, introduced the resource person. Then Dr. A. Meenakshi Sundararajan, Principal, NACCAS presented a gift as a token of remembrance to Dr. Hamlin, the resource person.

Dr. G. J. Hamlin explained the main concepts of writing poetry; she began with the idea of 'penning your thoughts' on writing poetry and how poetry is actually imagination combined with elevated thoughts. She explained in detail that how a good poem comprises of carefully arranged words and for that understanding of all the literary devices is important and how they are used in poems. She explained about them one by one with examples and how they build up the structure of poetry.
